STAFF SCHOLARSHIP PARTICIPATION	POLICY #: OPR D-16	APPROVED: OCTOBER 9, 2012 REVIEWED: DECEMBER 12, 2017

Parkland College offers a number of scholarships to students in College programs each year. The most sought after scholarships are the Parkland College Staff Scholarships. These scholarships are \$1000 each and are awarded in three categories: Academic Achievement, Student leadership, and Persistence and Determination.

The funding for these scholarships has come primarily through the Casual Friday Program and from personal donations.

Please consider making a donation. These scholarships make a tremendous difference in the lives of our students. For some students a scholarship means that they can afford the text books they need for a class. For others it means that they are able to spend time studying instead of looking for another source of income.

Thank you for your generous support and contributions.
